

ODC Network Social Distance Cup Sponsorship Opportunities

The ODC Network is a registered 501 (c)(3) non-profit outdoor education and conservation organization. We impact our community by educating preschool-college aged students and by restoring and improving our local waterways and land which brings visitors to Holland. In 2018, the ODC Network, which owns and operates the Outdoor Discover Center in Fillmore Township, assumed management of the DeGraaf Nature Center, a property owned by the City of Holland. Such education and conservation services would not be possible without the support of area businesses.

Join us on August 19, 2020 for the Social Distance Cup at the Ravines Golf Club, located in Saugatuck, MI. This is a new event to bring people together and generate revenue for the ODC Network while practicing social distancing. During this unique event, you will have the opportunity to learn about all aspects of the ODC Network and see some live Birds of Prey where they've never visited before! Plus, you will enjoy a round of golf while raising money for a great cause.

All funds raised will support the ODC Network's mission of advancing outdoor education and conservation in West Michigan.
