ODC Preschools: 2022/23 Registration Information

Dear Future Discovery Preschool Families,

Thank you for your interest in our nature-based preschools! We're excited to be expanding to our new campus on Holland's north side, as well as continuing to offer exceptional outdoor preschool education at Little Hawks on Holland's south side and Seedlings in downtown Holland. **Registration for classes at all 3 locations will open publicly on our online system on Thursday, January 6 at 8:00 PM.**

In the past, classes have filled quickly, so we recommend registering promptly.

To register, go to our registration page and click on the link for the session you would like to register for. Please note that the links will not be active until registration opens at **8:00 PM on Thursday, January 6**. You may choose to login to our registration system if you already have a username and password set up, or you can continue as a guest on the first screen of the registration process.

Information about sessions offered for the 2022/23 school year at each location is below. Please take time to look this over before the registration period opens. Teaching teams, session names and classroom assignments will be shared in your enrollment packet. Enrollment packets will be emailed to families in the summer.

A \$50 non-refundable registration fee is due online at the time of registration. If you are unable to register for your first choice, you can be placed on a waiting list for that session, and you may register for another session. You will not be charged the fee if you are placed on a waitlist. Please be sure to completely check out of the registration system to secure your spot in the class or your place on the waitlist.

If you are interested in applying for a scholarship or GSRP, fill out the [Help Me Grow application](#). Please note that a scholarship or GSRP application is not a registration for our program and does not guarantee placement.
