

Coastal Alaska Adventure

July 30 - August 7, 2027

9 days | 8 nights

Join ODC Network CEO and Naturalist Travis Williams for this all-inclusive 9-day itinerary that beginning in Juneau, Alaska. Once again, we have partnered with our friends at Sea Wolf Adventures to bring you an amazing small-group, private, and customized coastal adventure.

We will explore the glacially scoured fjords of Glacier Bay, the glaciers and the lands between them. It is a 270-year-old area offering you an amazing visual of a rapidly changing geological landscape and the plant and animal succession. This region of the US is not only home to a significant number of glaciers, it is also home to a multitude of plants, mammals, birds and marine mammals who flourish in this ancient moss-laden, coastal landscape. Rich with marine life, bears, moose, and wolves, the rugged mountains and temperate rainforest of this region never cease to amaze visitors.

Alaska is a rugged and beautiful state home to a wide variety of ecosystems including coastal shoreline, temperate rainforest, mountains, tundra, and a wide variety of wetlands, ponds, lakes, streams, and rivers. This diverse landscape is a tourist hotspot, drawing visitors from around the world. The ODC team are experienced trip guides and hosts, and Alaska is one of our favorite destinations. Join us for this unique and customized adventure that will bring you up-close to what makes Alaska great.

Participants who travel to Alaska with ODC will experience the state in a way that most people never will. You will be part of a group no larger than 12 people. Cruise ships and other typical Alaskan tours pair you with hundreds, if not thousands of other travelers. We only use private, customized travel services and lodges. Private chefs prepare our meals, and Alaskan guides help deliver unique experiences.

This trip is all-inclusive. Your lodging, food, drinks, guides, all transportation in Alaska, along with all experiences and gratuities are included.

Day 1

Travel to Juneau

Flight to Juneau for an early evening arrival. We'll spend the night in Juneau. There will be free time to explore on your own.

Day 2

Travel to Glacier Bay National Park

Transfer flight to Gustavus, Alaska. This short 25-minute flight will take us to Gustavus, a small, remote community west of Juneau nestled in the northern part of the Inside Passage, and the home of Glacier Bay National Park. Once in Gustavus, a private shuttle will transfer us to our lodging for the evening. Dinner and an optional hike will round out our day.

Day 3

Board the Sea Wolf

In the morning, we will walk down to the docks of Bartlett Cove at the Glacier Bay National Park headquarters where we will board the Sea Wolf and begin our week aboard our private Glacier Bay cruise. More about Sea Wolf Adventures

Day 3-8

Sea Wolf Cruise

We will explore the waters, coastlines, glaciers, and forests of Glacier Bay National Park spending roughly 12 hours each day cruising the park viewing whales, sea lions, seals, otters, bears, wolves, mountain goats, hundreds of bird species and more. Our trip will include hiking and kayaking in and around six different glaciers. Each day our private chef will prepare gourmet meals. Complimentary beer, wine, and sodas will kick off daily happy hours. Your guides will teach you all about the region and help you have safe and up-close encounters with Alaskan wilderness.

Day 8

Return to Juneau

We will return to Glacier Bay National Park and disembark from the Sea Wolf. The, we will take a float plane back to Juneau, where we will catch a shuttle to our hotel. The rest of the day, you will have to explore Juneau or rest in your room.

Day 9

Return Home

We will coordinate with a local service to return you to the Juneau airport for your return flights.
